

IEEE INTERNATIONAL SYMPOSIUM
ON SIGNAL PROCESSING &
INFORMATION TECHNOLOGY

ISSPIT
ANCHORAGE 2023

October 1-3, 2023
Anchorage, Alaska, USA

SPONSOR PROSPECTUS

International Symposium on Signal Processing & IT

The IEEE International Symposium on Signal Processing and Information Technology (ISSPIT 2023) is a forum organized by the IEEE Signal Processing Society (SPS). The society invites researchers, academicians, and practitioners from universities, industry, and government agencies to submit their latest research papers and applications in Signal Processing. The conference will feature Plenary Talks, Technical Sessions, Poster Sessions, and Tutorials. The IEEE ISSPIT 2023 will take place in Anchorage, Alaska, USA, offering a competitive Technical Program and a Memorable Social Program.
